

## KORELAS MASTERPIES

### > Baking instructions

- > Unwrap a masterpiece. Remove the product from the packaging.
- > Place the product on a suitably-sized non-stick baking tray.
- > Preheat the oven to 170°C - 180°C (340°F - 355°F).

### **Ideally**

- > Let the product thaw out before baking.
- > Once thawed, cut the product all the way through its guidelines.
- > Put the tray in the middle rack of the oven and bake for a total of 45-50 minutes or until golden brown.
- > Adjust the temperature and baking time depending on your oven's performance.

*\* Not suitable for microwave cooking.*

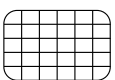

### **Alternatively**

- > Place the baking tray with the frozen product in the middle rack of the oven.
- > Bake for 5-10 minutes, remove from the oven and cut the product all the way through its guidelines.
- > Put the tray back in the oven and bake for another 45-55 minutes or until golden brown.
- > Adjust the temperature and baking time depending on your oven's performance.

*\* Not suitable for microwave cooking.*
